hicopro leader and director

Direction, composition, lyrics, art

Japan Directing Association Young Directors Competition

Winner of the Grand Prize and the Audience Award

When I was 17 years old, my father disappeared.

He drops out of high school because he doubts his natural career path.

Later, while wandering around, he encountered the theater and has been active ever since.

The organization hicopro, which he leads, has co-produced the flagship work with Okinawa and staged it in five cities in Japan: Okinawa, Osaka, Fukuoka, Nagano, and Tokyo.

In the young directors' competition organized by the Japan Directors' Association

I've been trying to capture the sensations and emotions raised by the music

In the "Tsukuribanasi Musical," about a human

This is the first time in the history of this competition that a musical has been produced.

The film won both the Grand Prize and the Audience Award.

Outside, a concert at the Globe

(Okada Kohki, Sakamoto Kenji, Izumi Yohei, etc.) composed and directed.

The creation of a musical between a Vtuber and a human being.

With high school girls at Saitama Super Arena.

Co-produced and directed a fashion show.

He has created a documentary musical starring former top star of the Takarazuka

Revue, Wataru Kozuki, that is not bound by existing forms of expression.
