

MAGU SUMITA (1976.11.20)

Since 2013 I have worked as photographer and video editor in Japan and Europe.

and even now mostly of my work is concerned about music festival, theatre and art performance (japanese calligraphy, projection mapping ,dance etc..).

From 2013 to 2015 worked for Japanese company IMedia in Italy

In 2016 Europe became a fixed point for my job, I became official photographer of many events in Europe like “Ozora Festival” in Hungary, “Boom Festival” in Portugal and others.

In 2017 worked for various festival in Europe, and I worked as official photographer for the festival organized in USA Oregon during the total solar eclipse , the “Oregon Eclipse Festival” .

In 2018 my cooperation with the calligrapher Koho Kurihara in Japan, and she exposed her artwork and the videos I created for her at the Musee George Labit .

And I started a collaboration with projection mapping team Lichtpiraten, based in Berlin, as photographer and video editor.

In 2019 worked for homage to Rembrandt´s legacy (Leiden Netherlands) and worked for Taikwun Museum in Hong Kong as Lichtpiraten’s photo videographer.

worked for FITS international volunteer program as photo videographer.

worked for TOKYO Festival -Directly Management program “ I am a CAT” as photographer
