SEIUNKAN DOJO, dojo of the clear sky

The name Seiunkan symbolizes a pure and constant change of a person as clouds never stop and always transform.

The process of practicing aikido is to develop the body and mind and strengthen our life energy - ki.

Seiunkan is founded in 2002 as Tendoryu aikido club by the people who enthusiastically practiced aikido for years.

The name Seiunkan is given from the founder of Tendoryu aikido Sensei Kenji Shimizu who was the youngest and last live-in student of Morihei Ueshiba.
