

We want to collaborate with you

Our dance Jiutamai is the traditional Japanese one.

It had been danced for pray and be the kind of performance now.

It is very steady and flexible. It means the technique is steady and the mind is flexible.

We will dance by our feeling by music, environment.

We want to collaborate with your music and your performance in your country or Japan.

The notable of Jiutamai

It is particularly worth noting that even 80's are active dancer.

Young dancer has vitality and elder person has the deep emotion and more has pure mind.

The record of the representative of Jiutamai promotion foudantion.
