

minoru sato -m/s

He is an artist who is working in interdisciplinary realm related with sound, light and the other natural phenomena. He was born in 1963, Sendai and lives in Kamakura Japan. He is interested in the relationship between the description of nature and artistic representation, creating artworks as physical phenomena presented with various concepts. His creative activities emerge in the form of installations, multiples, performances, and texts. He has established a label called "WrK" for creative activities in 1994, and had been running the label until 2006. He produces music as a solo artist, and also in a collaboration project with ASUNA, IL GRANDE SILENZIO and so on. Alongside these activities, he curates contemporary art exhibitions and events. He was working as an art curator at Kawasaki City Museum from 1991 until 2011, and at Sendai Mediatheque from 2011 until 2013.
