Case Introduction, Client Feedback

Annual Gathering - Mitsubishi Fuso Truck and Bus Co. Ltd

Performance Details:

A fusion of visuals and Yo-Yo act, “Illuminate the World,” with customized imagery.

Event Context & Approach:

The event challenges were:

- Providing a refreshing break during a long program
- Reinforcing the event’s central theme

We customized the visuals to depict “the light created by teamwork and technology merging into the truck’s headlights.”

Client Feedback:

“The visual impact was outstanding, yet refined, and above all, it perfectly communicated our event’s theme. This performance goes beyond mere entertainment—it truly supports our message delivery in a remarkable way.”

TED conference - TED Conferences, LLC.

Performance Details:

Motivational talk in English and the Japanese-themed act “Yo-Yo Samurai”.

Event Context & Approach:

Though BLACK passed an audition by the performance only, he was asked as “Could you talk about the story behind your remarkable performance?” by TED.

His sharing the journey of growth alongside the show itself struck a powerful chord—resulting in over 15 million views on the video.

Client Feedback:

“BLACK is not just an extraordinarily talented performer, but also has an inspiring personal story.

His appearance at TED2013 won a standing ovation and created a big hit online.”
