size/ 157cm/46kg/24cm

From early childhood through until university graduation, I dedicated myself to competitive gymnastics, subsequently going on to join the world of entertainment. In addition to aerial arts, I have studied dance, drama, and various other forms of physical expression.

I moved to Kagawa in 2019 and have been searching for contemporary circus expression.

Now she also working on creating works using original equipment.

These days I have been performing in many countries, teaching and choreographing.

Her artistic activities cover a diverse range of genres including concerts Ayumi Hamazaki, Hiromi Go, and other musical artists; National Cultural Festivals; expositions, theatrical performances, Bunraku (Japanese Puppet Theater) performances; television commercials; music videos; and brand parties.

Base in Japan. Performs aerial and other performances in Japan and abroad.
